## > Potty Time with Elmo

When it's time to potty train your little one, let Elmo lead the way! The Potty Time with Elmo app is a fun way to ease the transition from diapers to big-kid underpants. Developed for children 18 months and up, this app features an interactive story about Elmo helping his toy Baby David learn to use the potty. Tap around to hear fun sounds and Elmo's encouraging words. Tap Elmo's radio to hear catchy potty-time songs and sing along. Collect stickers on every story screen and use them to track potty progress on the Sticker Reward Chart. Also includes five potty-themed puzzles.
